CC Docket No. 02-06

This correspondence is an appeal of the Administrator's Decision on Appeal dated 10/13/04 received from the Schools and Libraries Division(SLD) of the Universal Service Administrative Company.

Our school's funding request was denied by SLD because they claim that the school did not respond to their requests for information regarding the ITEM 25 certification. On January 5, 2004 the school complete a change of name and address of the authorized person via the SLD website, with a paper copy submitted via mail. All subsequent correspondence sent by SLD was sent to the old, incorrect address: therefore the authorized personnel did not receive any of the correspondence and was not aware of any action needed. The first correspondence sent to the authorized person was the June 8, 2004 FCDL letter, denying the school's application.

Upon review of the appeal, the SLD determined that the funding request was correctly denied by PIA because they used FedEx to contact the school. However the FedEx was sent to the old, incorrect address. I'm sure you will agree that if the address change was submitted on 1/5/04, the school cannot be faulted for correspondence dated in April and May of 2004, which was sent to the incorrect address. We respectfully request that you accept our appeal.

On behalf of the school, I thank you for your attention to the above matter.

Sincerely yours,

Sheya Gelbwachs
